

4.10.2

I had the great honour to give my first Children's Universities' lecture at the world renowned Malopolski C.U. about "What the hell are children looking for in an University?" (In Polish it sounds otherwise).

Many thanks to Jolanta enabling me to do that and to the children listening to me with patience. And of course to my wonderful interprets Joanna.

Thank's for your overwhelming hospitality.

I wish you all the best for ²⁰²³ you
